Half Sick Half Well

Many persons have their good days and their bad days. Others are about half sick all the time. They have headache, backache, and are restless and nervous. Food does not taste good, and the digestion is poor; the skin is dry and disfigured with pimples; sleep brings no rest and work is a burden.

What causes this? Impure blood. And the remedy?

Ayer's Sarsaparilla

SOLD FOR 60 YEARS
It removes impurities from the blood and makes it rich and red. Then nature takes right hold and completes the cure. Ask your doctor all about this.

No medicine can do its best work when the bowels are constipated. Keep your liver active with Ayer's Pills. One pill at bedtime is sufficient to produce a natural movement the next morning. Ayer's Pills are sugar-coated. All vegetable.

Prepared by DR. J. C. AYER & CO., Lowell, Mass., U.S.A.

LOCAL AND GENERAL

Judge Whitney yesterday granted a divorce to Vasaburo Muremoto from Tomi Muremoto, whom the husband accused of desertion.
The board of license commissioners will meet June 26th at 3:30 p. m. to consider the applications of James J. Jeger, Thomas McLean and William Larson for second class hotel licenses to sell intoxicants at Puuloa.

The Guardian Trust Company yesterday made application in the court of land registration for registration of title to 6,257,181 square feet in the McCully tract, estimated to be worth \$38,200.

Arthur C. Alexander, recently appointed administrator of the estate of Abigail C. Alexander, yesterday filed in circuit court an inventory of the property, showing it to be worth a total of about \$10,000.

During the electrical storm last night the insulation on the electric wires in the home of En Sue Shih, the baseball player at present on the mainland with the All-Chinese team, caught fire and burned off for a distance of about 50 feet.

A reduction of one cent per thousand gallons in the water meter rates is announced by Superintendent Caldwell, to take effect July 1. The present rate is seven and one-half cents per thousand gallons. On and after July 1 meter charges will be made wherever the recording apparatus has been installed.

Tenders for the supply and installation of electric light fixtures in the remodelled Judiciary building will be opened at the public works department at noon, June 12. Bids will be opened on June 20 for the construction of steel document cases and a mezzanine floor for the archives building.

Following the action of the recent session of the legislature in abolishing the government marketing section, Victor S. Clark, commissioner of immigration, labor and statistics, advises the public that no consignments of produce will be received after June 30th.

The estate of James Howell, the recluse of Kapiolani park who died mysteriously in his home a year ago, is estimated at approximately \$40,000, consisting principally of stock in various industrial and mining companies. Such is the statement filed in circuit court yesterday by R. R. Catton, administrator appointed by the court and sole legatee under the aged man's will.

Some of the friends of Major W. C. Neville, formerly in command of the marine battalion here, sent mental congratulations across the water when the prospective retirement of Colonel Frank L. Denny was announced. Major Neville, standing No. 1 on the list of majors, it was figured by the uninformed that he would "make his number" when Colonel Denny's name was removed from the active list. Colonel Denny, however, belongs to the staff of the marine corps, being a quartermaster, and his retirement does not advance officers of the line. The retirement of Colonel Denny will promote Lieut. Col. Charles L. McCawley, Major W. B. Lemley and Capt. H. L. Matthews.

Morning on Change

Oahu and Olaa led in the stock activities this morning. Oahu recovered from its slump yesterday, about three hundred shares of it going at 14.25. The return of Olaa to the sales list shows that it changed hands at a little less price than was asked for it the last of the week. The price it held today was 1.87 1-2, having been offered for a few shares Saturday.

Announcement was made that the Waialuku dividends will be suspended after the June 10 payment, and also that the Honouliuli dividends will be discontinued after June 5. The former announcement was probably responsible for the fall of Waialuku five points, 140 being asked for it yesterday. Today 120 was offered for it, 135 asked. No sales were made.

A number of shares of Hawaiian Commercial went at 26 this morning, a half-point above yesterday's selling price; 9 Pines sold at 40.50 and Honokaa at 4.

The condition of the plantations on the other side of the island is being improved by the rain which has fallen there during the last forty-eight hours, it was stated today. An inch of rain has fallen in some places, with more in sight. The ground has been dry and a good rain needed.

THE GREAT BEAR IN THE PACIFIC

The Great White Bear is again reaching out for trade in the Pacific. With much maritime commerce driven from the big ocean with the close of the Russian-Japanese war, the fleet of merchant steamers flying the flag of the Little White Father, were few and far between. At the time the transport Thomas left the coast, Puget Sound business and shipping circles were making preparations to receive the first of several Russian freighters, operated by the Russian volunteer fleet. To ply the Pacific between Vladivostok and Vancouver and Seattle, the initial voyage was expected to be made by the Saratov, Herion and St. Petersburg. The first sailing will be between July 1 and 14, the next six weeks later. The line will give reduced rates to Russian immigrants.

The collier Alexander, which was purchased for \$205,000 in England at the outbreak of the war with Spain, has been condemned and will be sold at auction at Manila.
